

To Whom it may Concern
Reason - William (Bill) Woods

I am writing to you on the
behalf of Bill Woods.

I have nearly ~~known~~^{known} Bill
for nearly 30 years. In that
time I have not had any
trouble or conflict with him.
Bill has always been family first.
He has kept a good job and
provided very well for his family.
Bill has been his wife - my sister
very good to her. As a family
unit they have provided well for
their son. They together have
sent their son through college.
My personal feeling that Bill
is not a flight risk to anybody.
Because of his strong feeling for his
family and willing to make
everything right I believe that
you can trust Bill not to be
a flight risk. I wish you
well to make the best decision
on this case of William (Bill) Woods.

Thank you for your time. Phone [REDACTED]
